

Now Hiring: Licensed Mental Health Professional (Equine-Assisted Mental Health)

Vinceremos Therapeutic Horsemanship Center is seeking a compassionate, experienced **Florida Licensed Mental Health Professional** to join our Equine-Assisted Psychotherapy (EAP) program.

This is an exciting opportunity to combine clinical expertise with the healing power of horses while making a meaningful impact in the lives of children and families.

Position Summary

The Mental Health Professional will provide one-on-one equine-assisted mental health services to clients in partnership with our equine specialists. The majority of our clients are children and adolescents, with appointments primarily scheduled during **weekday after-school hours and weekends**.

Responsibilities

- Provide individual equine-assisted mental health sessions.
- Collaborate with Equine Specialists and program staff to deliver safe, client-centered services.
- Complete timely clinical documentation and treatment plans.
- Maintain compliance with professional licensing standards, ethical guidelines, and program policies.
- Support positive outcomes for children and families through evidence-based, trauma-informed care.
- Participate in interdisciplinary communication and case coordination as needed.

Qualifications

- Current Florida licensure as a Mental Health Professional (LMHC, LCSW, LMFT, or other qualifying Florida mental health license).
- Experience working with children and adolescents.
- Comfortable working outdoors in an equine environment.
- Previous horse handling or riding experience. (preferred)
- Excellent communication, organization, and documentation skills.
- Experience working with individuals with developmental, emotional, behavioral, or trauma-related needs.

13300 Sixth Court North, Loxahatchee, FL 33470

(561) 792-9900 | info@vinceremos.org | vinceremos.org

Insurance & Billing

Preference will be given to candidates who are credentialed with, or are eligible to provide services reimbursable through, **CMS Health Plan** and **Sunshine Health** Medicaid plans, or who are willing to complete the credentialing process.

Schedule

- Part-time, hourly
- Primarily weekday afternoons and evenings (after school)
- Weekend availability required
- Flexible scheduling

Why Join Vinceremos?

For more than 40 years, Vinceremos Therapeutic Horsemanship Center has been transforming lives through equine-assisted services. Our team is passionate about providing innovative, client-centered care in a beautiful farm setting where horses become partners in healing, growth, and connection.

If you are a licensed mental health professional who believes in the therapeutic value of the human-horse connection, we'd love to hear from you.

To Apply: Please submit your resume, Florida license information, and a brief cover letter outlining your experience with children, horses, and equine-assisted mental health.
